**RCR CPD  
Credits  
awarded**

## Hot topics in neuroradiology Thursday 19 October 2017

**Neuroimaging is a rapidly advancing field with frequent developments in scanning modalities, protocols, clinical indications, patient management, and post-processing techniques. With more of these examinations being requested outside of dedicated neuroscience centres the aim of this course is to provide an introduction and suggestions of how to utilise and interpret some of the more advanced principles.**

Members	£199
Non-member	£246
Trainee member	£136
Trainee non-member	£179
Retired member	£136
Allied Healthcare Professionals and nurses	£136
Lay members, medical students and patients	£136
Industry	£268

Bookings are accepted on a first come, first served basis.

Confirmation of a place will be sent by email within 21 days of payment being received. If you do not receive confirmation please contact [conf@rcr.ac.uk](mailto:conf@rcr.ac.uk).

We strongly advise delegates not to book travel or accommodation until a confirmation is received.

**Cancellation policy:** Notice of cancellation must be given by email to [conf@rcr.ac.uk](mailto:conf@rcr.ac.uk) within the following dates:

- 31+ working days before a meeting: Will be entitled to transfer their fee to another meeting within 12 months or a refund minus a £15 administration fee
- 11 – 30 working days before a meeting: Will be entitled to transfer their fee to another meeting within 12 months or a refund minus a £25 administration fee

If less than 10 working days before a meeting, no transfer or refund permitted

**Data Protection Act:** Your name and hospital will be included on the list of participants, which will be issued to delegates, speakers, sponsoring companies and other interested parties.

See [www.rcr.ac.uk](http://www.rcr.ac.uk) for full terms and conditions.
