

BRITISH SOCIETY OF
NEURORADIOLOGISTS

Trainee Symposium

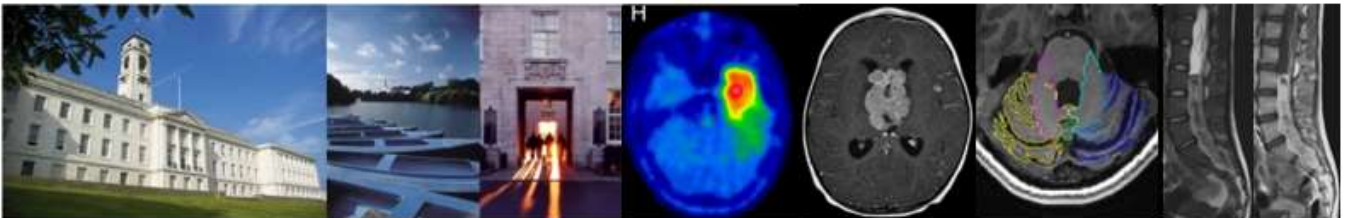

Nottingham | May 26th /27th 2022

Park Plaza Hotel

Day 1 ■ Paediatric Neuroradiology

Day 2 ■ Spinal Neuroradiology

8 Lectures ■ 12 Workshops

Programme and guide

Day 1 – Thursday 26th May – Paediatric Neuroradiology

- 9.15 Registration opens
- 10.00 Welcome
- Lecture #1
- 10.05 **Genetics for neuroradiologists**
Dr Abhijit Dixit | Consultant Geneticist, Nottingham University Hospitals
- Lecture #2
- 10.35 **Posterior fossa malformations**
Prof Stavros Stivaros | Professor of Paediatric Neuroradiology and Translational Imaging, University of Manchester
- 11.05 Coffee
- Workshop #1
- 11.25 **Emergency paediatric neuro presentations**
Prof Rob Dineen | Professor of Neuroradiology, University of Nottingham
- Workshop #2
- 11.55 **Neonatal encephalopathy – HIE & mimics**
Prof Stavros Stivaros | Professor of Paediatric Neuroradiology and Translational Imaging, University of Manchester
- 12.30 Lunch
- Lecture #3
- 13.15 **Introduction to intraoperative MRI**
Dr Shivaram Avula | Consultant Paediatric Radiologist, Alder Hey Hospital
- Lecture #4
- 13.45 **Spectroscopy in paediatric neuroimaging**
Prof Dorothee Auer | Professor in Neuroimaging, University of Nottingham
- Workshop #3
- 14.15 **Neurocutaneous syndromes**
Dr Arpita Chattopadhyay | Consultant Paediatric Neuroradiologist, Nottingham University Hospitals
- 14.45 Coffee
- Workshop #4
- 15.20 **White matter disorders**
Dr Shivaram Avula | Consultant Paediatric Radiologist, Alder Hey Hospital
- Workshop #5
- 15.50 **Spinal dysraphism**
Dr Adam Thomas | Consultant Paediatric Neuroradiologist, Nottingham University Hospitals
- Workshop #6
- 16.20 **Paeds neurovascular**
Dr Norman McConachie | Consultant Interventional Neuroradiologist, Nottingham University Hospitals
- 16.50 Day 1 close and evening arrangements

Day 2 – Friday 27th May – Spinal Neuroradiology

08.30 Intro do day 2

Lecture #5

08.40 **What the spinal neurosurgeon wants from radiology**

TBC

Lecture #6

09.10 **Spinal vascular malformations & intervention**

Dr Rob Lenthall | Consultant Interventional Neuroradiologist, Nottingham University Hospitals

Workshop #7

09.40 **Spinal trauma – neuroradiology perspective**

Dr Luqman Malik | Consultant Interventional Neuroradiologist, Nottingham University Hospitals

10.10 Coffee

Workshop #8

10.30 **Spinal infection and inflammation**

Dr Julie Hall | Consultant Neuroradiologist, Newcastle Hospitals

Workshop #9

11.30 **Spinal tumours (adults and children)**

Prof Rob Dineen | Professor of Neuroradiology, University of Nottingham

Lecture #7

12.00 **Non-vascular spinal interventions**

Dr Paul Maliakal | Consultant Interventional Neuroradiologist, Hull University Teaching Hospitals

12.30 Lunch

Lecture #8

13.15 **Neuromuscular imaging for neuroradiologists**

Dr Julie Hall | Consultant Neuroradiologist, Newcastle Hospitals

Workshop #10

13.45 **Spinal degenerative disease**

Dr Matt Hall | Consultant Musculoskeletal Radiologist, Nottingham University Hospitals

14.15 Coffee

Workshop #11

14.30 **Brachial plexus cases**

Dr Jag Shah | Consultant Neuroradiologist, Nottingham University Hospitals

Workshop #12

15.00 **Professional practice – transitioning from registrar to consultant: The 5 things I wish I'd been told**

Dr Amy Gerrish | Consultant Neuroradiologist, Nottingham University Hospitals

15:30 Close
