

2025

THE LIVERPOOL INTRAOPERATIVE MR IMAGE INTERPRETATION COURSE

FRIDAY 06TH JUNE

We are proud to announce this first course of its kind, held in Alder Hey Children's Hospital's state-of-the-art Radiology Teaching Suite at Institute in the Park.

This course will be focussed on intracranial tumour resections in the adult and paediatric populations and is targeted at Radiologists and Neurosurgeons interested in image interpretation in an intraoperative MRI setting.

The day will involve lectures on imaging techniques and neurosurgical and neuroradiological concepts followed by workshops on iMAC imaging workstations with practice on exemplar case studies guided by Neuroradiologists and Neurosurgeons highly experienced in this field.

Faculty:

**Prof. Shivaram Avula, Prof. Conor Mallucci,
Prof. Michael Jenkinson, Dr Samantha Mills,
Dr Mark Radon, Prof. Paul Morgan**
